VOLUME III, NUMBER 43 THE GOLD CENTER NEVADA CITY, NEVADA COUNTY, CALIFORNIA, THE COUNTY SEAT PAPER SEPTEMBER 9, 1929

STATE MINES ASSOCIATION FORMED CAMPAIGN FOR MEMBERS TO START

(Staff Correspondence)

In one of the most enthusiastic meeting held in behalf of the mining industry in California in a number of years, the California state Mining Association was forally inaugurated at Sacrameto on Wednesday and is already beginning to function with over a hundred members as a starter. Nevada county had the lion's share of the 200 delegates present and with nineteen persons representing various mining interests of the county.

Errol MacBoyle, general banager of the Idaho Maryland interests and Arthur W. Hoge, president and general manager of the Hoge Development Company of Nevada City, occupy two of the 16 director posts for the first year. Robert L. Hanley, superintendent for extensive placer properties in northern Sierra county was selected by the directors as the first president. R. L. Kimmel, who has been largely instrumental as secretary of the mining section of the Sacramento Chamber of Commerce in bringing the state-wide movement to its present stage, was named secretary of the organization.

The following were present representing Nevada county: Ray O. Foster, president and Frank Comino director, of the Twin Sister Mining Company; Walter N. Sim, general manager of the Omega properties Arthur B. Foote; L. S. Wincapaw, representative of Cooly Butler; Phillip M. Toleman, gneeral manager of tht Grizzly Ridge Mine, Inc.; Arthur W. Hoge, president, Hoge Development Company. William Maguire. owner of extensive mining properties W. L. Gormley, director Camborne & Hayle Mineing Company; R W. Gaylord, Canada Hill Consolidated; Errol MacBoyle, Idaho Maryland; Gordon M. Bettles, geneal manager Yellow Tiger Consolidated, Lloyd L. Root, Alcalde Gold Mining Company; Thomas E Stephens, general manager German Bar; W. Waggoner, Relief Hill properties; Ray E. Miesse; Frank Dillon, Lady Bug properties; C. H. Roberts, W H. Griffith; O. D Woodman; A. A Willoughby, Nevada City Nugget.

Congressman H. L. Englebright who had been requested to be one of the speakers was detained by business and was unable to reach Sacramento until four in the afternoon, but met informally with a number of the directors and has been asked to meet with them in regular session to discuss matters of legislative interest.

The meeting was opened on time by Fred Bunyan, chairman of the Sacramento mining section, beating a prospector's pan and hammer in approved fashion. Governor C. C. Young was a little late in arriving but he gave words of encouragement to the assemblage. He stated that he had expected to find only 20 or 30 present and the 200 on hand rather overwhelmed him. He referred to the reestablishment of the geological survey in the last legislature and said that it would be a calamity to see the mining industry lapse in California.

Fred G. Stevenot, director of the State Department of Natural Resources, spoke of the need of organization.

The outstanding speaker of the occasion was Assemblyman Roscoe J. Anderson of Redding who made a tremendous his with the assemblage as he drove home telling points in favor of the organization of the mining industry on a firm basis whereby it could demand its just rights from the lawmakers. He said that the meeting was to consider a basic industry and that mining and the products of mining are the only things that lift man from a primitive state and give him power to progress. The spark of mining industry must be kept alive, no matter how much it may have been hampered in years past. Speaking as a farmer ,he said there was nothing so important to the farming industry as a live mining industry, which made for quick cash markets. He remarked on the farmers seeking an outlet in South America where there would be heavy competition as against an awakened mining interest right here in our state where with thousands of men put to work again in the mines, there would be a market created that would pay large profits to the producers of agricultural products.

Following his remarks, the meeting was thrown open to discussion. A motion was quickly made and seconded that the state mining association be formally organized. It was unanimously carried. The by-lws committee was first appointed and instructed to retire and prepare its report. The nominating committee was appointed to submit a list of 15 directors to serve for the first year. Arthur B. Foote was chairman and from Nevada county also on the committee were Messrs. MacBoyle and Willoughby. Their selecton was as follows: Fred H. Gotefrend of Yreka represtnting Siskiyou, Trinity and Shasta counties. Walter I. Nelson of Englemine, representing Plumas and Butte counties and the copper industry; Robert L. Hanley of LaPorte, representing Sierra county and the gold placer mining; Arthur W. Hoge of Nevada City and Errol MacBoyle of Grass Valley, representing Nevada, Placer, and El Dorado counties and quartz gold mining; Albion S. Howe of Sutter Creek, the central Mother Lode; J. C. Kemp Van Ee of Mariposa, the southern Mother Lode; Harry W. Gould of San Francisco the quicksilver industry and north coast counties; Clarence Pratt of San Francisco, non-metallics; James M. Hill of San Francisco; J. W. McCarty of Santa Cruz, the south coast counties and the cement industry;

W. L. Gormley of Sacramento John A. Rollins of Los Angeles and William Mayer of San Diego.

That the organization is off to a flying start is seen in the fact that there was no division of opinion among those appointed to the task of getting the movement on a firm operating basis and a desire to stand together as one unit. The two big problems facing the mining industry just now are compensation insurance and excessive taxation. A committee to deal with the compensation problem and the state operated trust was appointed and it is probable that out of their labors will come a cooperative company which will make it possible to greatly reduce the costs of compensation insurance and place them more nearly on a level with those of other mineral producing states. Our mning industry has been continueing to submit to the whims of organized labor. Placer mining resumption is also one of the problems to be taken up when the organization is stong enough to combat the strongly entrenched farming interests and the legislative parasites who maintain themselves by feeding their propaganda to their cohorts. This paper has always fought for the placer mining industry and it feels that the new organization will provide the lever which will make possible its resumption under governmental safeguards.

Too much credit canot be given the mining department of the Sacramento Chamber of Commerce for the effective work it has done in wielding sentiment behind the mining association idea. Other mining associations there have been in the past but they have passed into oblivion for various reasons. The present one has the elements of long life and effective activity.

GETS A PRIZE

Nevada county's mineral exhibit at the state fair captured a prize in the lode gold section, specimen gold and other forms allowed prizes being captured by other counties. Prominent in the local exhibit were samples from the Idaho Maryland and Hoge properties.

It was remarked at the meeting of the state mining organization that the state fair allowed one year $70 in prizes for minerals and $1000 for the horse shoe pitchers.

Captain Fox of the Los Angeles police force and three of his deputies visited Downieville last week and were taken to Scales for a three day bear hunt, Sheriff Bynon acting as the guide. Three brown bruins were bagged by the party.

MCCRANEY GIVEN MANAGER POST MURCHIE MINF

One of the outstanding events of the local mining industry the past week has been the engaging of O. A. McCraney as general superintendent at the Murchie mine succeeding M. M. Reese who resigned some time since. McCraney has been one of the best known mining men on the Mother Lode, having been operating in Amador county of late and his entry into local field presages a new mining era at the famous Murchie which has had a notable production record in the past.

An extensive campaign of underground development is being mapped out and will be prosecuted with the idea of getting onto a large production basis. With the finest suface plant of doubtless any property in the section, the ball milling and oil flotation process recently installed in the mill, promises to create a revolution in the milling methods of the local ores, whose operators have been wedded to stamps, concentration and cyanidation heretofore. The surface works have been thoroughly rehabilitated throughout, a new compressor electrically driven and the hoist electrified so that with new orebodies opened up, the property is in excellent shape to set up production never before attained at this mine.

With McCraney in charge at the Murchie and Otto Schiffner at the Hoge holdings, two of Nevada City's largest potential producers are soon to usher in a new era of time production that will put Nevada county well out in front in gold production among the countries of the state. A high type of men are coming into charge of our local properties which cannot but spell success for our major industry.

FINANCING LARGE GROUP REPORTED PROGRESSING

Reports from New York are to the effect that financing of one of the large goups of mines in the Banner Hill section is progressing satisfactorily and that announcement may be made shortly of intended operations. Litigation which has held up development in the past year is now settled and will tend to speed the work of opening up the propreties.

More and more the work of promotion of mining properties is coming to where the money raised from the sale of stock must be devoted to developing the property itself and not for everything else. If all the money raised in mining promotion could be devoted to development work it would be far easier to float stock selling in our properties. Too much has gone heretofore to promoters who have been more interested in what could be collected for themselves than for what could be put into the properties. Promomotion is legitimate and proper if carried on with proper safeguards for the investing public which is entitled to at least a run for its money This office is getting a number of inquiries on the advisability of investing in this or that mine and it is endeavoring to answer such queries truthfully.

The formation of the new state mining association will work wonders in making a safer investment in reducing the overhead costs which has been one of the drawbacks to a larger mining revival since the war.

FINE MINING WINDOW

A fine display window intended to catch the miner's eye is seen at the J. C. Penney store at Grass Valley. Everything worn and used by the miner is shown in attractive fashion.

Miss Gertrude M. Howarth has resumed her studies at Holy Rosary Academy at Woodland. She spent the summer here with her gandmother, Mrs. M. Fortier.

Mrs. V. V. Foley and little daughter have retuned from a visit in Brentwood.

Ignition Parts and Accesories at Miner's Foundry. 24tf

YELLOW JACKET MILL IS RUNNING ON GOOD ROCK

Work at the Yellow Jacket property at Alleghany is progressing steadily and the company is getting onto a regular production basis since reopening the mine several weeks past. The mill has been running for two weeks and has been cleaning out the bins stored with ore from the former Gillespie workings and is now running on new ore taken from the rich shoot exposed last year.

Drifting and raising operations are being carried on, the drifting being caried toward the Osceola ground where rich ore was taken out in past years on the upper levels. The ore in the raise is now 12 feet in width. In the face of the drift a small vein is coming in in the the footwall and another one on the hanging side that looks to make a fine shoot in the next few feet at their intersection. A single shift is making four and a half to five feet each two days.

The company has large holdings in the Alleghany district which it is proposing to develop into a mine that will equal the famous Sixteen to One in point of production. The two properties are practically adjacent and show similar characteristics in the ore bodies.

B. A. Reber is superintendent of operations.

MOHAWK SINKING WILL BE PUSHED COMPLETION

Shaft sinking at the Mohawk property south of town will be well under way this week, repairs and cleaning up have been accomplished the past week. The bottom of the shaft was getting into solid gound at the time of closing down some months ago and with conditions right, rapid progress should be made to the 200 foot depth. Ben A. Bost is in charge of operations.

NEW HOPE FOR SAN JUAN RIDGE WATER SITUATION

NORTH SAN JUAN, Sept. 8 (Special to The Nugget)—Renewed hope for the people of the San Juan Ridge in their deplorable water situation is seen in the overtures made by prominent Yuba and Sutte county business men who are becoming alarmed over the possible shortage of water in the Yuba river, due to the continued diversion into another watershed.

At the picnic held today on the Taber anch, representatives of the Water Users Association of the lower Yuba,and of the irrigation interests dependent on the Yuba supply, assured the San Juan Association that they were ready to join interest to protect their water resources from further encroachment.

The picnic proved a huge success and the stew was thoroughly appetizing while the coffee boiler presided over by Bill Lackland was a popular spot.

SCHOOL EXHIBIT TAKES NUMBER FINE PRIZES

The Chicago Park school took third sweepstakes in one room school exhibit, Meadow Lake of Tuckee two first and a second on pastels, Grass Valley firsts on Christmas card, fiber floor lamp, parchment lamps, and tea wagons, and second on console table, carved box and an exhibit by Jeff Michelson.

GRAND MASTER HERE

Hiram S. Hutchings of San Francisco, Most Illustrious Grand Master of the Royal and Select Master Masons of California, was a brief visitor in Nevada City Saturday while on his way to Downieville to attend the Royal Arch district meeting.

Frank Gill who worked in the Grass Valley mines for a number of years passed away in Sacramento last week.

HOGE STARTS 3 COMPATMENT SHAFT SCHIFFNER MADE GENERAL MANAGER

Otto E. Schiffner has been appointed as General Manager of the Hoge Development Company. He has already assumed active charge of the operations and has started the sinking of a three compartment shaft, and the erection of a head fame, the installation of a 75 H. P. double drum hoist, including the necessary buildngs for an economical and efficient program of deep development.

Mr. Charles L. Walthier, chairman of the boad of directors of the Hoge Development Company, and C. D. Scully, Vice President, are here from Pittsburgh, Pennsylvania, on a tour of inspection, and to confer with Arthur W. Hoge, the President, in reference to the policies and plans to be carried out during the next six months, upon the properties that are owned and controlled by the said company.

While this company has an exceedingly bright future, on account of their excellent prospects in a virgin territory, they state that their policies for the next six to nine months will be strictly a program of development.

They have carefully laid out their plans, with the view of having an ideal mill-site, but they do not expect to give the matter of erecting a mill any serious consideration until such a time as they have sufficient ore on the dump, and in sight to pay for the mill.

The company has other important developments in mind, but state that until such time as they feel reasonably assured of their success thruogh further examinations, that they have no comments to make in reference to the same.

The Hoge Development Company should be an outstanding success, not only because they have a large acreage in a proven virgin territory; but becaue they are spending their money in a systematic mining development. The publisher wishes to congratulate Mr. Hoge upon his choice of a general manager, to relieve himself of that burden and also to congratulate Mr. Schiffner upon his decision to cast his lot and his future with Mr. Hoge's company, as we feel that they have both made a wise move, and that the results will speak for themselves.

MINING LOCATIONS ARE PLACED COUNTY RECORD

The following mining locations have been filed for record the past week:—

Vesta I by Neva B. McMahon in Washington Mining District, SE¼ Sec. 18 T17N R11E.

Neocene placer, W½NE¼NW¼, Sec 1 T16N R8E, S½NW¼ by A. G. Norton, Grace M. Abbott. W. S. Abbott, Sue Elizabeth Abbott and Fed H. Sears.

Maple Leaf quartz in Meadow Lake Mining District by Harry D. Ramsay and J. T. Ogle.

Silver Eagle No. 1 quartz, Little Canada quartz and Silver Eagle No. 2 quartz in Meadow Lake Mining District by Harry D. Ramsay.

Cedar Flat quartz at Bowman Dam by W. L. Baker.

SIERRA COUNTY SHOWS FINE LINE MINERALS

The display made by Sierra county and devoted entirely to minerals was one of the much visited booths at the state fair and won many fine remaks for the display and the attractive booth. Commissioner Homer J. Gould with the help of many willing volunteers put on a fine display for less than the $1000 appropriation given him by his supervisors. Langdon Smith of Forest played a valuable part in the arangement of the booth.

Plumas county showed to wonderful effect in her exhibit devoted entirely to wild life. Two live fawns and a small bear did much to add color and life to the display of mounted birds and animals.

LIONS ARE RESUMING MEETINGS TUESDAY

The Nevada City Lions Club after a summer vacation will resume meetings tomorrow noon with the lunch at the National Hotel. A pep address will be given by Ted K. Clark of San Bernardino, assitant district deputy governor of the organization. R. F Werner as lion tamer has been getting some new musical selections ready to spring. All Lions are expected to be on hand and get to work again after a long rest.

NEVADA COUNTY REUNION

J. R. Tyrrell, president of the Nevada County Association of the bay region has issued an invitation to all former and present residents to attend the 14th annual reunion to be held at Mosswood Park in Oakland next Sunday. It is suggested that those attending take their lunch and spend the day in happy reunion. A short program will be given at 2 o'clock.

CHARLES RICHARDS VISITS

Charles Richards who was foreman of the sampling department at Selbys for thirty five years, has been making a visit up here the past week looking up mining men with whom he had dealings in his long years of experience. He well remembers the shipments of ore coming from the WYOD, Pennsylvania, Pittsburg, Champion, Empire, North Star, and many other properties of this district. He asked particularly after Ben Hall and the Pioneer Reduction Works. He spoke of Congressman Englebright's brother being employed at Selby at one time. Mr. Richards is now retired on a pension after his many years of faithful service.

COUNTY FARM PRODCTION

The county farm under the superintendency of C. J. Tobiassen produced over $700 worth of vegetables and fruit during July and August for the county home and hospital.

Mr. and Mrs. L. L. Myers passed through Nevada City last week to spend the week end at Alleghany with Mr. and Mrs. Thomas Bradbury.

SHERIFF BYNON RUNS IN OFFENDERS AGAINST LAW

DOWNIEVILLE, Sept. 7, (Special to The Nugget)—Sheriff George Bynon produced some good business the past week when he ran in several offenders and Judge John T. Mason plastered on a few fines.

Jim Hansen, reputed to be a detective on the San Francisco police force, Lawrence Nessler and Henry Conti were arrested on a misdemeanor charge and were asessed fines of $25 each in court.

Kenneth Latta who tried handing a bunch of bananas through a window of the county jail to a prisoner at 2 a. m. was given a fine of $40.

SCHROEDER RETURNS

County Assessor Henry C. Schroeder made his first visit to the court house Tuesday morning after his recent illness and opeation and he was affectionately greeted by his host of friends who were tickled to see him back on the job again.

MINERS PICNIC

The annual Miners Picnic was held at Lake Olympia on Labor Day and was well attended although not up to the mark of previous years. An enjoyable day was spent and the proceeds will go into the orphans and widows fund. Music was furnished by the Grass Valley band and the Harold George Orchestra

BRIDGE TO BE PAINTED

The Pine street bridge is to be painted by action of the city trustees who have made provision for this important piece of work which will cost around $1000.00. The work has been badly needed.

Mr. and Mrs. S Lee Leiter are visiting in San Francisco.

EDITORIAL

The high school starts new term with enrolment of 128. The enrollment this year is said to compare very favorably with the enrollment at this time last year. There will probably be a few late enrollments which will add to this number.

The teaching staff has the work Education caused the building and grounds to be in excellent condition for the opening day. Both teachers and pupils are proud of their nice clean building and appreciate the money and effort which was spent.

The teaching staff has th ework well in hand and both teachers and pupils are happy in the work. A fine spirit of cooperation prevails between faculty and pupils.

The following organizations are already beginning to function: the four class organizations, a Girl's League, Athletic Association, and Students Association .An Honor Society is to be organized in the very near future.

The Freshman and Senior class is taking advantage of the fact that it is Admission Day today--which means a legal holiday, and is having class picnics.

All pupils, and especially those in the Senior and Freshman classes deserve considerable credit for excellent planning and conduct at the Freshman initiaton Friday afternoon and evening. On behalf of the faculty, I desire to thank the many parents and friends for their attendance at the initiation program, and for the many good wishes extended. More than 300 perons were present and thoroughly enjoyed the progam.

B. F. Wilson, Principal.

WE FRESHMEN

Well, here we are back to the old grind again—but it is a new "old grind", a new course of study, new teachers, new suroundings and new friends. Our class has enlarged somewhat because there are many from the outlying districts. We now number 37.

A business meeting was held August 29 for the election of officers.

The following students were elected for the various offices:

Bob Tucker ..... President
Louise Schrieher .... Vice President
Neta Botting ..... Secretary
Leslie Orzalli ..... Treasurer

We all know that these people will try to carry out the class duties to the best of their ability.

At this meeting it was moved and seconded that we arrange a class picnic. Ruth Rector, Katherine Celio, and Bill Sharpe were appointed by the President, Bob Tucker, to serve on the food committee. Florence Cerro, Delbert Shiffner and John Sbaffi are to have charge of the entertainment. Plans are now being made for the first social gathering of the Freshmen. The time and place has not as yet been definitely decided on.

The Freshman class is very well pleased to have Miss Main as class advisor and hope that she will be with us throughout our four years of high school.

Phil Cummings of North Bloomfield was a recent Nevada City visitor.

J. F. O'CONNOR
Civil and Mining Engineer
United States Mineral Surveyor. Licensed Land Surveyor. Upstairs over City Hall. Main Street, Grass Valley

GIRL'S ATHLETICS

This year, Miss Leschinsky, the girls' physical education instructor planned to work out a well formulated program for girls' athletics.

The girls are required to wear regulation unifoms, which are slightly different from those worn in the past.

Miss Leschinsky also plans to organize teams in various sports uch as tennis, hockey, baseball, and possibly basket-ball.

Although it is impossible for the irls to have inter-school activitites, keen competition between classes is expected.

SENIOR CLASS OFFICERS

Thursday afternoon, August 29, the Senior Class elected their officers for the coming year. The following were elected:

President ..... Robert Polglase
Vice President .... Thelma Boreham
Secretary ..... Dorothy Tamblyn
Treasurer ..... Harrison Randall

Mr. Kjorlie, who so ably guided us last year, was chosen as the Senior class advisor.

INITIATION

The Freshmen were duly initiated by the Seniors into the Nevada City High School Student Body, Friday night, August 30. Each Frosh was requested to perform some specified feat to prove his loyalty to the Student Body. Some of the tasks that were imposed upon these poor frightened, one might even say green Freshmen caused much amusement for the audience, which was unusually large.

President Robert Polglase of the Senior class acted as master of ceremonics. After all the Freshmen had been admitted to the Student Body, he gave them some very good advice, how to act during their high school career.

After the initiation program a dance was held in the "gym". The Freshmen as well as the upper classmen enjoyed a good time.

The Seniors must give the Freshman class a word of praise for the sportsmanlike way, in which they conducted themselves, throughout the initiation progam. If they carry this attitude through the following four years, Nevada City high school will be proud to claim them as a class.

SOPHOMORE CLASSS MEET

The Sophomore class held their first meeting, August 29th, for the purpose of electing class officers. Gladys Clark was chosen president, Donald Macari, vice president; Fae Murphy, secretary; and Edgar Davey, treasurer. The matter of dues was settled and is to be $1.00 per year. Plans were made for coming events.

The class was very well pleased to find that they were to have Miss Whelan as adviser again this year.

Mrs. Brophy and Miss Georgia English of North Columbia came to Nevada City recently and met their bother, J. H. English of Los Angeles, who will visit his old home for a time.

J. W Culver of French Corral was in Nevada City last week.

Dr. W. P. SAWYER

ALUMNI

During these opening days of the school term, when school friendships are again renewed, certain well known faces are missing,—the seniors of last year having departed for their future work or education. In this connection Nancy Jones, who has been spending her summer at Huntington Lake in the high Sierras, bagging rattle snakes and other big game, is now taking a much needed rest in Nevada City, preparatory to taking up her courses at Stanford. Alberta Baker has just left for the University of California to register for her initial semester. Bert undoubtedly will raise the standing of the Nevada City high at Cal. Mary Jones is treading in the footsteps of her big sister, and is leaving shortly for the normal school at San Jose Miriam Sawyer, also, is about to attend the San Jose Teachers' School where she will be joined by her sister in her studies, Kathlyn Greenaway is taking a post graduate course in commercial subjects at the Nevada City high school. Bernice Eden will take up her course at the Munsen school in San Francisco. Helen Chapman, Geraldine Larsen, Olga Regalia, Vera Toccalini, Dorothy Watters, Marie Young, Milded Reader, and Elsie Casci have spent their vacations at home, and will remain there this year.

Among the boys, not so much is known, but it is rumored that Carroll Coughlin will resume his studies at St. Mary's, Augustus Hanks is working in Penrose's store in Nevada City. Lloyd White is driving the Alleghany stage. Elbridge Skeahan has a position in San Francisco. Harry Evans is working at the chain groceteria in Nevada City. John Solaro is working for the P. G. & E. at Loomis. George Noyes works at the Empire mine in Grass Valley. Lorenzo Cicogni, Donald Stevens, and Spencer White are at their respective homes in Nevada City.

FACULTY

This term the faculty is the same as last term, with two exceptions. Mr. B. F. Wilson, a Stanford gaduate, and an experienced principal, has taken Mr. Isensee's place as principal and Miss Mabel F. Main, who for five years was vice-principal in the Rock Fall high school in Rock Falls, Illinois, has taken Miss Agnes Hoffman's place in the English department.

This year certain changes have been made in the courses offered. The following are the departments which each teacher will be in charge of:

Miss Mabel F. Main .....
..... English and History
Mrs. Ruth Hulen ..... Commercial
Miss Ann Whelan Foreign Language
Mr. H. E. Kjorlie .....
..... Science and Social Science
Miss Thelma Leschinsky .....
Mathematics and Physical Education
Mr. C. E. Pedersen .....
English, Social Sciences, and Physical Education.

FRESHMAN-SOPH BRAWL

The Freshman-Sophomore brawl was held Friday afternoon. There were many events among which were sack races, obstacle races, and turtle races. The sophomores were the victors with a score of 26-17. The brawl finished with a big tug-of-war. A pennant is to be given to the sophomores, the winners in the brawl.

Attorney and Mrs. William R. Twamley of San Francisco passed through Nevada City recently en route to North Columbia to visit hi aunt, Mrs. C. J. English

GIRL'S ASSOCIATION

The Girls' Association held a meeting, at 3:20, Thusday afternoon August 29. The purpose of the meeting was to elect officers for the coming year. The following were elected:

President ..... Thelma Boreham
Vice President ..... Margaret Rector
Secretary ..... Betty Bettles
Treasurer ..... Lois Eden

There was no other business brought up at this meeting so it adjourned in a short time.

Miss Thelma Leschinsky, is acting as dean of girls again this term, and a very successful year is expected by all.

JUNIOR CLASS ELECTION

A junior class meeting was held on Friday, August 30, and the following class members were elected to office:

President ..... Carl Murchie
Vice President .... Margaret Rector
Secretary-Treasurer .....
.... Evelyn Granholm
Treasurer ..... Willie Jeffrey

The junior class has changed its advisor from Miss Taylor to Mrs. Hulen. Both are said to be very well satisfied with the result of the appointment.

CLEAN UP DAY

Duing the summer months the interior and exterior of the Nevada City high school was impoved. We all felt very proud of entering such a nice building but we thought that we should clean up the yard. So Thursday afternoon, the annual "clean up" day, the boys with their rakes, picks, scythes, shovels and, hoes, started to work. The Freshman boys weeded and mowed the lawn. The larger boys under the supervision of Mr. C. E. Pedersen and Fireman Herbert Hallett burned the dry grass and cleaned the basket ball court.

The girls, also, did their share of the work. Books were placed in order and cupboards were cleaned thoroughly. It was a tired and happy bunch of boys and girls that went home that evening—feeling that they had done something for their school. As time goes on more work will be done on the high school yard.

D. C. O'Rourke of San Francisco was a business visitor recently.

VACATION

On Monday, September 2, Labor Day, there were no classes held at school. Also, on Admission Day, September 9, there will be no school. These holidays are certainly appreciated by the students, as it was rather hard to settle down to a long winter's work after having had three month's vacation.

Mrs. James K. Davis and Mrs. Jewett Adams spent a week visiting in Carson City and Reno. Mrs. Adams will soon return to her home in San Francisco. She has spent the summer here.

Mr. and Mrs. A. S. Lord had as week end guests their son, Hartley, and family of Bekeley.

PERSONAL MENTION

Mrs. Theo. Larsen was called to Sprague, Washington by the serious illness of a friend, Mrs. Lizzie Cameron. Mrs. Cameron isa former resident of Relief Hill.

Miss Esther Sullivan, of Marysville, also grand president of the N. D. G. W. was an official visitor to Laurel Parlor recently.

District Attorney and Mrs. W. E. Wright entertained Mr. and Mrs. John Titus of the Del Paso Country Club recently.

Mr. and Mrs. William Walters of San Francisco spent a week visiting with he brother, James Dolan, and wife.

David Muir of Martinez is here visiting with old time friends

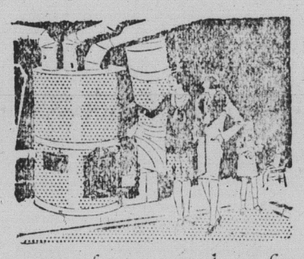
heat

your home with gas fuel

automatically



Enjoy care-free, comfortable warmth by installing an automatic gas-fired heating system. It costs less than any other automatic system. It lasts for years with little servicing. Modern ventilated firebox passes all products of combustion outdoors. Into your rooms flows heat as clean as the warmth from the sun.

There are many types of good gas-fired heating equipment. How can you know which to choose?

The experience of P G and E engineers and their knowledge of all types of gas-fired heating systems enables them to judge which is the most adaptable for each home. Their knowledge is for your benefit. For details, phone or call our office. Automatic heating installed for 10% down and terms

FRENCH CORRAL ITEMS

FRENCH CORRAL, Sept. 7. (Special to The Nugget)—This writing finds us all very busy in various ways, preparing forthe Reunion Picnic of September 8th at Taber's ranch near Sweetland. We are looking forward to much pleasure on that day, meeting and greeting old neighbors and friends. We tust this may be the beginning of making this an annual or semi-annual event Every week brings old time residents and if all came at one time they would have to scatter out through the old "diggings" which in many places are now overgrown with forestry.

Last week, Will Culver came from San Francisco, and gave his parents a surprise visit. On Saturday he was joined by his brother-in-law, Earl C. Chatty, of San Francisco. Both retuned to San Francisco, Monday. Mr. Culver took them to Nevada City to catch the early train.

Miss Theresa O'Conner came up from Pleasant Valley Friday evening to spend the week's end at her home in Birchville

Mr. E. De Prati had business in Nevada City Friday.

Miss Louise Moulton made a trip to Grass Valley Saturday to meet her sister, Frances, who came home to spend the week's end with her family. Miss Frances is in the employ of the Motor Vehicle Co. of Sacramento. Miss Barbara McMinn accompanied, on the trip.

W. P. Clerkin, and Harry Browning came down from Pike Satuday.

Joe Swazey was down from the Siberia mine Saturday evening.

The regular meeting of the S. J. R. W. A. was held in San Juan Sunday. Final arrangements were made for the event of September 8th. Many had the pleasure of meeting two of the old time natives, Henry Harris and Bert Brown, both of whom were natives of San Juan. Bert makes frequent trips to the old place, but Henry had not been here for 47 yeas. He had put off cming for so long as he hated to spoil memory's picture of the many changes that made the heart sad. He was glad that he had come Both now reside in San Francisco.

Mr and Mrs. Harry Moynier and Mrs. Moynier's daughte, Mrs. Madeline Burs, of Oakland were Sunday visitors and visited Mrs. Moynier's sisters, Mrs. Adele Bowning of French Corral and Mrs. Lucy Kneebone of Bridgeport. Mr. and Mrs. Moynier and daughter will go to the mountains to enjoy a few weeks of out of door life.

Mrs. P. Nichols and sons, Chester and Arthur, and little gandson, Arthur Smith, were Sunday visitors The Nichols family resided in French Corral for a number of years, and always call this place "home". Chester Nichols is now in the general mechandise business in North Sacramento.

Wesley M. Bean, another ex-Rigdite who now resides in San Francisco came with an auto party and spent the afternoon with Mrs. K. Sullivan. Mrs. Smith, Miss Ruth Henderson and "Buster" Henderson were of the party. They visited the Bridgeport Resort while enroute and thought the place right up to date for pleasure.

Supervisor Joe Frank of Rough and Ready was here Sunday inspecting the road work.

W. E. Moulton made a trip to Marysville Saturday and Sunday.

Mrs. F. S. Wood and son, Carl, were Sunday viistors.

Miss Millie Clerkin and Mrs. K. Sullivan made a business trip to San Juan Wednesday.

George Pantages of the Roseville Meat Market made a trip here Thursday and bought calves and hogs.

In our preparation for pleasure the cloud of gloom has been o'erhung and our hearts have been filled with sorrow over the death of Sam McCullough, who passed away at his home in San Juan early Tuesday morning. His funeral was held in San Juan (yesterday) Thursday afternoon, where he was laid to rest in the family plot. The services were conducted by the B. P. O. E. of Nevada City, of which lodge he was a member. A host of friends were in attendance, many coming fom a distance, for Sam was well liked and well known. The profusion of floral offerings attested to the love in which he was held. He was born and raised in Sebastopol near San Juan and all his life nearly, has been spent on the San Juan Ridge, the place he loved so well. He has been president of the S J. R. W. A. since its inception and his taking away can only be regarded as a calamity in this He hs spent every effort even to his own physical undoing, in the interest of our Water Association, and we feel that his place can never be filled. Our debt of gratitude to him can never be paid for he was a friend to all. Let us mummur a kind prayer to his memory, for we can be sure that even in eternity his intercession will ever be for us. We have lost a friend, a true friend.

Jabez Jenkins, former Grass Valley resident, arrived from San Francisco to spend several days visiting with friends.

Mrs. Ethel Lord Brady and daughter, Constance, former residents, came up from Oakland for a visit early last week.

Miss Betty Viebrock of Stockton undergraduate at Mills College, Oakland, is the house guest of Miss Alice Mooser.

Mrs. Nora Larkin of the Allison Ranch section passed away last week after a short illness. She was a pioneer of the county.

F. M. Merriless of the Yellow Metal mine was in Nevada City during last week.

Mr. and Mrs. Charles Maginis, Mrs. Olive Paine and son spent a week in San Francisco.

Mr. and Mrs. J. B. Maloney and Mr. and Mrs. J. L. Maloney of San Francisco were visitors in this city over Sunday and Monday Mrs. J. B. Maloney will be remembered as the former Miss Florence McGee.

Mrs. George Cobledick and daughter, Miss Mina, visited in Reno and Sacramento recently. Miss Grace Cobbledick, operator of the P. T. and T. exchange accompanied them home for the latter place after a two week's vacaton.

Mrs. Frank Hanson of Lower Lake is visiting in this city for several days as the guest of the Oliver family.

Mrs. Joseph Kemp, nee Miss Bessie Thomas of Nevada City, has been visiting her cousin, Mrs. George Neagle. Mrs. Kemp is now living in Bingham Canyon, Utah. Mrs. Dr. E. S. Flynn and three children accomanied her on the trip.

Miss Eugenie Wight has entered Distict Attoney and Mrs W. E. Wright acompanied her to the bay district and spent a short time visiting before returning.

eacramentoilyat,v(Cce-li(Mr. an ty Henry Monroe of North Bloomfield is spending a few days in Nevada City.

Mr. and Mrs. E. C. Uren returned to San Francisco last week. They expect to be away about two months.

George Neagle of Sacramento visited a few days with his parents, Mr. and Mrs. George Neagle of Nevada City.

Mr. and Mrs. A. H. Mooser, Mr. and Mrs. J. F. Connor and Miss Bernice Glasson attended the circus in Sacramento last week.

Mr. and Mrs. Frank Tyson are home from attending a convention of photographers in San Francisco.

Mr. and Mrs. Dorsey Wheeler, former residents, visited friends in Grass Valley over Laobr Day.

Mrs. Hattie Truscott has had as a guest her nephew, Wesley Vaughn, of Sacramento.

Subscribe for The Nugget.

Mr. and Mrs. E. W. Smith have had as visitors, Mr. and Mrs. Alva Conley of Oakland and Orrin Smith of Sacramento.

Mr. and Mrs. G. W. Starr and Mr and Mrs. C. R. Clinch drove to Sacamento and attended the circus.

Mr. and Mrs. E. H. Hocking had as a recent guest, Mrs. A H. Iliohan of Oakland.

Mr. and Mrs. K. Lombard of Sacramento spent the week end visiting Mr. and Mrs. W. D. Whittet of Grass Valley.

YOU CAN BUY HAPPINESS AT THREE DOLLARS A WEEK

There are many people who say that money does not buy happiness, but it does give you a sort of comfortable feeling to know that there reposes a balance, however small, that will serve you in an amergency. It is a feeling that is quite closely related to happiness.

We sell what are known as Happiness Certificates. You pay $3.02 a week, or twice that much every two weeks, or $12.08 a month, and at the end of three years (less one week you will be given a check for $500. If it should happen that you must have the money you have saved before the expiration of three years, you are paid with regular bank interest.

It is better than a regular savings account, because the interest is larger. Almost anyone who is employed can buy one of these certificates without much sacrifice. It will bring you happiness if you are a normal human being.

NUGGET PAGE OF SPORTING EVENTS

BOWLING TOURNAMENT TO GET UNDER WAY

The first fall tournament of the Elks bowling league gets ler way tomorrow, teams 1 and tangle in the preliminary skirmish with two more teams getting into action Wednesday night.

The bowling committee headed by Francis Hogan as chaiman has made a careful selection of the teams and balanced them as evenly as averages go. There is considerable demand for the handicapping system to be thrown overboard for this tournament and turn the teams loose to do their best without being penalized for any lucky nights.

A meeting of the bowlers has been called for 7 o'clock tomorrow evening in the Elks club rooms to discuss the points of play, prizes and the fees to be charged. The foul line rule has never been enforced and there has been some call for this. The scoring system is to be the same as heretofore with possibly an additional point for team attendance. Prizes for individual plays are to be encouraged as well as the the team prizes. A challenge which was issued to the Grass Valley bowlers last year and not taken up, will be renewed this fall in the hope of encouraging an inter-city tournament.

The scoring of strikes and spares and averages will appear regularly in these columns as they were last year.

The team line-ups for this week are as follows:

Tomorrow Night

Team No. 1

Ghidotti	138
Mobley	139
Scheemer	136
D. Richards	151
Keller	115
	679

Team No. 2

P. Carr	136
Leiter	130
Hoge	135
Willoughby	176
Bell	100
	679

Wednesday Night

Team No. 3

Fortier	148
Tamblyn	156
Nickless	138
Durbin	131
T. Richards	108
	681

Team No. 4

Curnow	152
Celio	135
Hogan	132
Kopp	130
Goyne	131
	680

GOLF TOURNAMENT IS IMPENDING THIS FALL

Golf tournament work which has never figued heavily as yet in the affairs of the local divo tfraternity bids fair to get an impetus this fall with the starting of a new tournament in the foothill league which was conducted last spring and produced a lot of interest.

The clubs in the league are Nevada County, Auburn, Lincoln and Placerville. The other three clubs by their longer playing experience and continued tournament play have the locals at a disadvantage but the practice gained will be valuable as time goes on and the local club gets better organized.

The ladder competition has not been very keen except among a few of the topnotchers and this has been the only form of tournament work engaged in so far in the local club. If a few of our merchants would be solicted to present cups for tournament play and get some real action quite a bit of interest could be created as there is a great deal of promising talent. Flag and mixed foursome tournaments could well be worked up as there are a number of the ladies who have become quite proficient in the art of club swinging.

With the warm weather passing the enthusiasts will be flocking to the course in greater numbers. The fairways are in excellent condition at the present time and the greens while of the sand variety have been kept in good shape. There has been a great deal of interest taken in the lage No. 8 green which has been made of cottonseed and offers enough trickery to try any one's mettle.

Delbert James of San Francisco is visiting his father, Henry James.

Mr. and Mrs. Andrew Gurule, Dr. and Mrs. Harry McNeil and Mr. and Mrs. A. J. Klaus of Reno, Nevada, spent last week end at the home of Miss Kate Coombs.

N. I. D. vs. Chris Hansen—Writ of possession granted.

Term of Uncertain Origin

Authorities have never definitely traced the origin of the term "grass widow." It is to be found in many languages. Some believe that it is a corrupted form of "grace-widow"—that is, "widow by the grace of circumstances." There are no facts to substantiate this belief, however. According to Doctor Brewer, the modern use of the term seems to have originated among Anglo-Indians about the middle of the Nineteenth century from the practice of European husbands sending wives to the hills during the hot season in India. In this section the grass is plentiful.

First Excursion Train

On July 5, 1841, when a "Puffing Billy," hauling two dozen open railway "carriages"—they were called "tubs" at that time—steamed out of the station at Leicester, England, bound for Loughborough, 11 miles away, it marked an occasion memorable in railway annals, for it was the first excursion train ever run.

The train carried 570 passengers to a temperance meeting, and the organizer of the excursion was Thomas Cook, then a young printer of Market Harborough, later to become famous as the promoter of Cook's tours.—Detroit News.

TYLER JOTTINGS

CHEROKEE, Sept. 7, (Special to The Nugget)—Mr. and Mrs. Clifton Wilborn of Long Beach, who have been visiting their uncle, Thomas Phelan, and aunt, Mrs. R. Maitland, of Shady Creek, retuned to their home at Long Beach Friday.

We are sorry for our neighbors in the San Juan distict and wish we could help them but they are out of our reach as there is no way of giving them water from here.

H. Musfield and N. Fogarty were visitors here Thursday evening.

Reward

When Admiral Hussey spoke his piece at the luncheon of the Women's Republican club, he opened up with this story:

"In a western town, a man rushed into the sheriff's office and demanded a warrant for the arrest of a murderer.

"'Whom did he kill?' demanded the sheriff.

"'A public speaker.'

"'What you want,' replied the sheriff, 'is not a warrant for anybody's arrest but an order on the county clerk.'"—Los Angeles Times.

The Reason

Bobby (who's been to the zoo)—Why do elephants have such big trunks?

Betty (aged nine)—Because they have to come all the way from India.—Bombay Times

TRAVEL BRIEFS
FROM TRAVEL HEADQUARTERS

Sept. 30 Last Date

There's still time for a back-East trip under the low summer fares.

Sept. 30 is the last sale date but the return limit, Oct. 31, gives you time for one of Southern Pacific's *round* roundtrips that allow you to go one way, return another of the four great scenic routes this railroad offers for your choice.

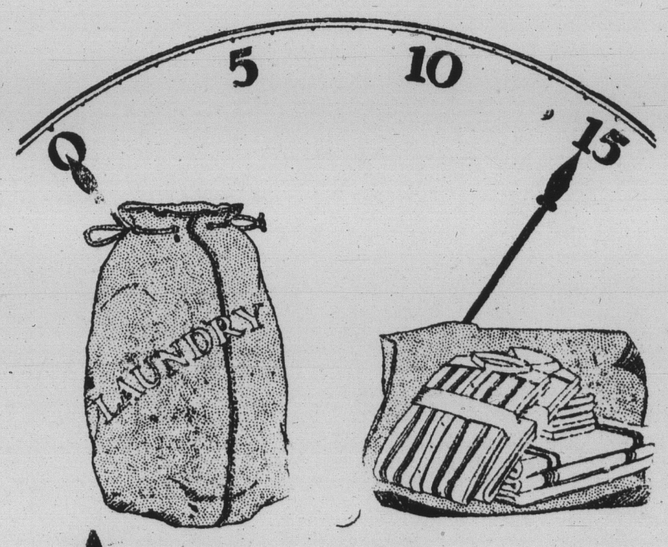
On the Pacific Coast

16-day roundtrips will be on sale until Sept. 30 and as you know travel by Southern Pacific allows you to save vacation days as well as money. Vacation begins the minute you board a fast train. When you arrive at your destination you're already rested . . ready to play.

Your Agent Travel Expert

If you're planning a trip back East or on the Pacific Coast see your Southern Pacific agent. He will work out your itinerary, make reservations and attend to all details *(steamship tickets included)*.

D. R. Owen
District Passenger Agent
Southern Pacific



A Washday *only* 15 *minutes long-*

INSTEAD of being a drudging task all day long, your washday need last only 15 minutes; half of that time spent in gathering the clothes and linens, the other half devoted to putting them away after they have been returned to you fresh, clean, neatly ironed, ready to use.

Let the LAUNDRY *do it!*

THE SOCIAL WHIRL

MISS ELIZABETH BUCKNER MR. ARNOLD MURCHIE WED

Two of Nevada City's best loved young people plighted their troth Friday evening when Miss Elizabeth Buckner wed Mr. Arnold Murchie at a quiet wedding at the Methodist parsonage, Rev. H. H. Buckner, father of the bride, performing the ceremony.

Miss Ruth Tamblyn was bridesmaid and Mr. Carl Murchie attended his brother as best man. The song, "At Dawning" was beautifully sung by Mrs. Herbert J. Nile, accompanied by Miss Minnie Brand. Following a short honeymoon the young couple will make their home here.

The bride is a graduate of the local schools and of the Preble Business College in Sacramento. The groom who is the son of Mr. and Mrs. C. R Murchie is a graduate of the local schools and the University of California. He is a trusted member of the staff of the local branch of the Bank of America. Both young people have a host of friends who will wish them every happiness in their journey through life.

MISS MARY RONDONI WEDS ALLAN GRACEY

A surpise wedding the past week was that of Miss Mary Rondoni and Mr. Allan Gracey who trekked to Reno to plight their troth Saturday. After a short honeymoon they will return here to make their home. The bride for some years past has followed the profession of nuring and has a large circle of friends. The groom is the son of Mr. and Mrs. William Gracey and following his graduation from the local high school attended the University of Nevada and of California. He is connected with the Forest Service offices and has many friends who will extend to him and his bride every wish for a happy life.

The young couple were attended by Mrs. Anna Ford and Mr. Richard Noell, who accompanied them to the Nevada metropolis.

GRAND PRESIDENT VISITS

Miss Esther Sullivan of Marysville Grand President of the Native Daughters made her official visit to Laurel Parlor on Wednesday night. A banquet was tendered the distinguished visitor at the National Hotel after which the ritualistic work of the Order was exemplified in the lodge room by the degree team of the Parlor and won high praise for its rendition.

ELTON TOBIASSEN PARTY

A few friends of Elton Tobiassen were invited in last week to help him celebrate his eighth birthday, his mother, Mrs. Carl Tobiassen proving a most acceptable hostess for the occasion.

The Womans Civic Improvemen Club will resume its semi monthly meetings at the Elks hall tonight after the summer vacation.

A new garage is being built at the Alfred Heether place on Piety Hill by Jack Campbell and John McLaughlin.

FRUIT DISPLAY WINS PRIZES AT STATE FAIR

The work of the collectors of Nevada county fruit for the state fair display saw several prizes awarded, states R. A. Eddy, chairman of the board of supervisors, who attended the exposition Friday as the guest of the fair management in company with the other members of the board, Henry Goudge of Grass Valley, Joseph Frank of Rough and Ready, E. B. Dudley of Nerth Bloomfield and Alex Robertson of Hobart Mills.

First prize was awarded for President prunes, pear plate exhibit, Jonathan apples, and Meddler tropical fruit. A second prize was taken on apple plate exhibit, and third prizes on Hungarian and Grand Duke plums, Cornice and Dana's Honey pears, King David apples, and Yellow Dent field corn.

CITY CHAPTER VISITS

Nevada City was host for a short time Saturday morning to the members of Golden Gate Royal Arch chapter of San Francisco which is paying a frateral visit to Sirera Chapter of Downieville over the week end. The party came up from San Francisco Friday night on one of the California Transportation boats to Sacramento. The Mark, Past and Most Excellent degrees were conferred Saturday afternoon at Downieville and the Royal Arch in the evening by the city fraters.

Accompanying the party were Grand Lecturer Daniel B. Richards and Grand Royal Arch Captain Claude M. Marckley of San Francisco. Both expect to be at Auburn next week when the official visit of Grand High Priest Angus L. Cavanagh will be made to the 7th District, Saturday evening, September 21st.

SIERRA COUNTY ACCIDENT

The Jefford ambulance was taken to Sierra county early Saturday morning for an auto party which had gone over the grade on the Brandy City road from Indian Valley and brought the injured persons to Grass Valley. Mr. and Mrs. Albert Murphy of Modesto and William Maloney of Downieville were enroute to Nevada City when the accident occurred at a steep place. Mrs. Murphy has serious internal injuies while her husband suffered several broken ribs. Maloney escaped practically unscathed.

MRS STENGER INJURED

Mrs. Mary Stenger, one of Nevada City's well loved residents, suffered a fall at the home of her daughter, Mrs. Iva Williamson, Friday moning, receiving a severe laceration of her scalp when she struck a chair in her fall.

Dr. Tickell was summoned and took sixteen stitches to close the wound.

Mr. and Mrs. R S. Fitzsimmons have had as a visitor, Miss Ruth Peterson, a former Nevada City high school teacher. She is teaching in Richmond this term.

Lloyd Penose, student at California School of Art in San Francisco spent the week end in Nevada City with his parents, Mr. and Mrs. James Penrose

BARBER SHOP RENOVATION

The Rohrig barber shop is one of the neatest shops of its kind to be found anywhere since renovation. A dainty green and white color combination has been given the exterior and the interior woodwork, white wall paper of an artistic design has been used on the sidewalls and ceiling. The shop will boast a shower bath for the use of the public after this week. Paul Rohrig, the new proprietor, states that he proposes to have his shop the equal of any country shop in the state when he completes his renovation.

Miss Alice Brown has returned from a vacation spent in San Francisco.

Victor E. and Antone S. Beck came down from their Orleans Flat property Tuesday on their way to Lincoln.

SAM MCCULLOUGH HAS PASSED INTO BEYOND

The passing of Sam McCullough at his North San Juan home early the past week wrote the final chapter in the life of one who had labored for years in behalf of his native soil. The funeral servces conducted Thursday afternoon were under the auspices of the Nevada City Lodge of Elks of which deceased was a long time member.

Sam as he was affectionately known by his many friends was born in the old mining town of Sebastopol some 60 yeas ago and had spent his entire life in that section. He had followed mining as a vocation. He was chairman of the Water Users Association which had ben struggling valiantly to secure an adequate water supply for the parched Ridge country and had devoted great effort in that work.

Surviving are the sorrowing wife and two sons, Ray and Eugene. There are also two brothers, Joseph and George McCullough, all residents of North San Juan.

The entire community extends its sincere condoiences to the bereaved family.

DISEASE TESTING HAS INNINGS AT GRASS VALLEY

A new device for testing disease in the human body is being given its initial workout at Grass Valley this week at the offices of Dr. Ward A. Johnson. The device is known as a hemidomagnometer which measures disease vibrations in the body and shows what organs are affected.

It measures the vitality or recuperative powers of an individual and ascertains the general poison in the body. Pus which is the geat menace to health can be localized and traced to its breeding place and inflamation and tissue destruction accurately measured.

Dr. Hunt, a radionic specialist from the east, is conducting the examinations this week. Dr. Johnson states that there are some appointments still open this week and that he will be glad to schedule them on telephone application at his offices. The Nevada City offices will not be open this week due to he large call for examinations on the new machine, but office hours will be resumed next week.

Mr. and Mrs D. D. Johnson and daughter, Miss Mary, were at Pebble Beach to watch the recent golf matches

When a fellow needs telephone privacy

Homes with growing families can easily have telephone privacy:

1. By an extension telephone in another part of the house.

2. By equipping the main telephone to cut off the extension at the touch of a switch key.
